

**By law I am required to offer you travel insurance. For this reason, I require that all of my clients complete, sign and submit this Travel Insurance Form indicating that you have been offered travel insurance, and should you choose not to purchase travel insurance you accept all responsibility.**

Emergencies can happen when you least expect it. I highly recommend that you protect your vacation with a travel insurance policy. The cruise lines, airlines, hotels and tour operators all charge high penalties for cancellation, ranging from the full deposit to no refund at all. Another important fact to keep in mind is that most health insurance policies will not cover you when you are out of the country. Your Travel Insurance will protect you in the following areas:

Trip Cancellation

Trip Delay

Trip Interruption

Missed Connection

Baggage Loss, Theft or Damage

Baggage Delay

Emergency Medical and Dental Expenses

Emergency Medical Transportation

24/7 Hotline Assistance

Please also note that in order for you to benefit from pre-existing coverage your policy must be purchased before final payment. There is no added cost to the policy for pre-existing coverage.

It is also important to understand that you do NOT have coverage until you have an active policy! Pre-existing coverage will not apply to world events such as strikes, natural disasters, terrorism etc.

Please understand that I am not a registered insurance agent, and can not legally provide specific advice or information regarding insurance. For information, please feel free to contact Allianz Insurance Company.

For your benefit, I have acquired a quote for travel insurance for your vacation from Allianz Insurance Company. Your quote will be sent in a separate e-mail.
